

Voluntary certificate of conformity of the factory production control

0644

Kiwa Certification AB has decided that, on a voluntary basis, the construction products

Anti-flooding devices for buildings Type 0

Check valve for backflow protection in waste water and drainage systems,
for use in horizontal pipes having only an automatic closure device
Nominal diameter from 80 to 200 mm.

placed on the market under the name or trademark of

Wapro AB

Munkahusvägen 103
SE-374 31 Karlshamn, Sweden

and produced in the manufacturing plant

Wapro AB

Munkahusvägen 103
SE-374 31 Karlshamn, Sweden

attests all provisions concerning type testing and continuing surveillance of constancy of performance described in

EN 13564-1:2002

under system 3/4 are applied and that the factory production control for which the manufacturer is responsible is assessed to be in conformity with the applicable requirements.

Kiwa Certification AB has carried out initial inspection of the manufacturing plant and of factory production control and carries out continuing surveillance, assessment and evaluation of factory production control

This certificate was first issued on **2017-09-17** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by Kiwa Certification AB.
