**“WaStop” & “WaStop Access”  
Anti-flooding devices Type 0**

**Nominal diameter from 80 to 200 mm**

according to Figure ZA.2 in the standard EN 13564-1

Kiwa Sverige

  
Magnus Jerlmark  
Technical Manager

  
Johnny Ostfeldt  
Technical Assessor

This certificate consists of 2 pages.  
Publication of the certificate is allowed.

# PRODUCT CERTIFICATE OF CONFORMITY no. 0644

with Continuous Surveillance of Factory Production Control

---

Applicable to the products mentioned below, on a voluntary basis and in compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) it has been stated that the construction product

## **“WaStop” & “WaStop Access” Anti-flooding devices Type 0**

**Check valve for backflow protection in waste water and drainage systems**

**Nominal diameter from 80 to 200 mm**

according to Figure ZA.2 in the standard EN 13564-1

produced by the manufacturer

**Wapro AB**

**Munkahusvägen 103**

**SE-374 31 Karlshamn, Sweden**

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that Kiwa Sverige has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance of the factory production control.

This declaration attests that all provisions concerning the attestation of factory production control described in Annexes ZA of the standard

## **EN 13564-1 for backflow valves Type 1**

were applied, on a voluntary basis. This declaration was first issued on 2004-04-01 and will remain valid as long as the harmonised European standard remains valid or the manufacturing conditions in the plant or the factory production control itself are not significantly modified.

On the basis of this document the manufacturer is allowed to use the Kiwa FPC Label as shown on this page.
